Help children become
published authors

Through our after-school programme, we help children who are falling behind in class to develop the literacy, confidence and perseverance they need to succeed at school and beyond.

As a volunteer, you will:

- Come to after-school sessions and help children aged 9 to 12 practise reading and writing in small groups.
- Help children produce written pieces that will be professionally published.
- Celebrate the children's achievements and give constant encouragement.
- Take part in games and have fun!
- Receive full training – no experience is needed.

You will need to be able to travel to our premises in Hackney (136-138 Kingsland High Street, E8 2NS) or Haringey (639 High Road, N17 8AA).

Sessions run from 3:45-6:45pm, every weekday during term-time.
